**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (*check all that apply*)

I was intentionally put in danger to be multiple times when I was in jail at Harris county. I was beaten, burned with a wick, and stabbed with a shank. When a purposely ignored me knowing I was in danger. I was attacked many times and I wanted to press charges but was told I could not by the guards after the first asking if I could work as a trustee bc I was getting attacked and they responded that I could "move to a safer pod when I stopped being attacked." On dec 5, 2 was threatened by other inmates. He told me I had to go in a cell and fight. He dragged me into a cell against my will on camera and locked me there. One in if the guard was serious. The inmates then punched and kicked me in my face, broke my nose and fingers, made me wipe up the bloody floor with toilet pape were going to beat me more. Then told me to call for the guards and wait by the gait as they thought they were through. I called for help and waited for 5 min needed to do more before the guards would come let me out. They continued to beat me more, took my pants off and burned me with a wick, beat my head ag and start flushing, then made me clean the floor with a towel, wipe my ass then made me clean my face. I was sent to Ben taub, I put in a formal complaint th appointment. I went down to the doctors in a waiting cell where I was gassed with coughing gas until I had a throbbing headache and couldn't go. Anytime sc air. It can be proven by the cameras if the tape is still there. One time when I had my head down in the cell an inmate was hovering near when I all of a sunde the door I caught a concentrated strong wiff of some kind of coughing gas and coughed so hard I threw up. For the next week I was continually gassed and sl more times and intentionally put into danger after the formal complaint. I asked the guards why all this was happening he literally just said it was because Im said I couldn't.

I'd like to sue Harris county police dept for neglect and intentionally putting me in danger as I begged them for my safety. Yet they continued ignoring me an get beaten and hospitalized. Ive suffered many injuries as well as broken bones and other hospital injuries because of the intentional harm I was put in while : arrested under false claims as well and spent a whole year of my life being assaulted. There are records off every incident and hospitalization

After jail I was forced into a group home for a year against my will with people in the city constantly harassing and threatening me. I have no privacy as people are constantl alwyas forced to do things and always feel i am in danger. it has been a year since i got out of jail and feel the city and the people are constatly harrasing me all the time.
